Position Structure Search

Helpful Hints:

PPOSE Screen Icon	Description
📾 (Job)	This icon represents the name of the job class used to create specific positions.
(Organizational Unit)	This icon represents an organizational unit within a department.
(Person)	This icon represents a person assigned to a position.
(Position)	This icon represents a position within an organizational unit.
Chief)	This icon represents a 'chief' position for the organizational unit. A position becomes a 'chief' position when the relationship 'manages' is assigned between the position and org unit.
(Goto)	This icon allows you to view the organizational structure in different ways. For example: by selecting Organizational structure you can view only the organizational units without any position details. By selecting Staff assignments, you can view both the organizational structure along with the positions assigned.
(One level up)	This icon allows you to view the structure one level above the point you are currently viewing.
(Column Configuration)	This icon allows you to select the columns you would like to view, for example: Object, ID Number or Relationship.

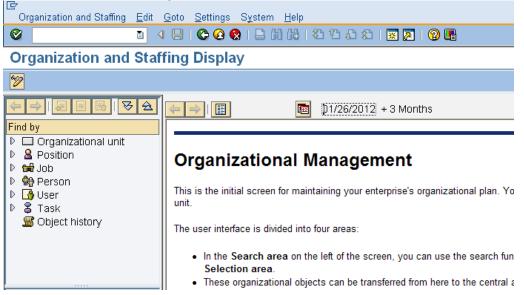

PPOSE Screen Icon	Description
(Icon legend)	This icon allows you to view a legend of what various icons represent within the organizational structure.
(Large/Small results list)	This icon allows you to maximize or minimize the view of the search area.
(Date/Preview period)	This icon allows you to view the organizational and reporting structure as of a specified past, present, or future date.
Close Detail Area)	This icon minimizes the Detail area of the screen to expand the Overview area.
🛅 (open Detail Area)	This icon maximizes the Detail area of the screen to view the detailed information pertaining to an object.

• The system may display three types of messages at various points in the process. The messages you see may differ from those shown on screen shots in this procedure. The types of messages and responses are shown below:

Message Type	Description					
Error	Example: 🔯 Make an entry in all required fields.					
	Action: Fix the problem(s) and then click 🧟 (Enter) to validate and proceed.					
Warning	Example: Decord valid from xx/xx/xxxx to 12/31/9999 delimited at end. Action: If an action is required, perform the action. Otherwise, click (Enter) to validate and proceed.					
Confirmation or	Example: Save your entries. Action: Perform the required action to proceed.					

Procedure

1. Start the transaction using the above transaction code **PPOSE**.

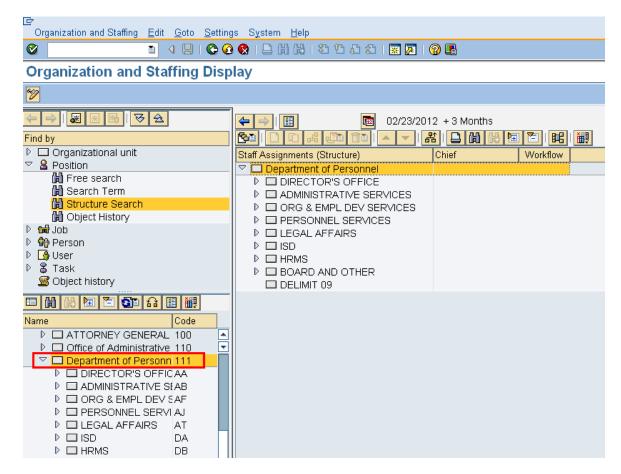

2. In the Find by section, drill-down from Position and click Structure Search

3. Click the b to the left of State of Washington to expand
